

Steve Wille, Denver, CO
Senior Consultant + Facilitator
C: (720) 934-7667
wille.steve@gmail.com

Steve is a senior consultant and facilitator for Stellar Teams, a professional services corporation headquartered in Denver, Colorado, providing customized skill-building workshops, talent assessments, coaching, and organizational effectiveness consulting for leaders and teams.

Steve has over 25 years of corporate information technology management experience and is an expert in project management and business analysis. He has held leadership positions of increasing importance in the financial, insurance, and publishing industries.

Most importantly, Steve is a skilled facilitator and coach. He has designed and facilitated workshops for project management and business analysis. His book, *Colorful Leadership*, focuses on innovation in the corporate environment.

Steve is also a keynote speaker at technology conferences and he serves as the President of the Rocky Mountain Information Management Association.

The common thread in Steve's writing and speaking is a passion for innovation within an organizational structure. One person, alone, cannot accomplish as much as a large organization, but organizations often kill individual ingenuity. By acknowledging the reality of corporate politics and embracing the need for working with people of all types, one can still find ways to take a different path and explore new ideas. Steve is a proponent of building repeatable processes that allow thinking and freedom to find a better way.
